

GOULBURN SHOW 2026

Bees, Bugs and Butterflies

SCHOOL INVOLVEMENT

Calling on all Goulburn and district schools to help us make the 2026 Goulburn Show a great one. We love it when all schools get behind the Show by entering school and individual exhibits. We can answer any questions from schools preparing entries. More information is available on our website www.goulburnshow.com.au

CONTINUING IN 2026 - COMMUNITY INVOLVEMENT CERTIFICATE

Any secondary school student who either enters individual exhibits or volunteers at the Goulburn Show will be awarded a certificate to recognise their contribution to this community event. Simply include your high school on the online entry form. Your Community Involvement Certificate will be processed after your entry is received.
